Modern texture

The texture is matte and slightly rough, for a modern and durable effect.

Adjustable feet

They ensure maximum stability on any surface.

Plate and fixing kit

The plate fits all tops. The kit for quick assembly is included with all tables.

Arredotop Advantages

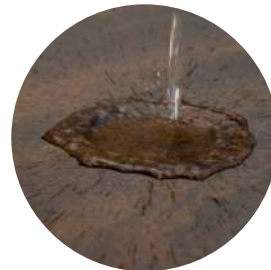

Made in Italy Quality

Design and durability without compromise.

High resistance and easy maintenance

HPL tops are hygienic, heat-resistant, waterproof, and scratch-resistant.

Terms and Conditions

1. Shipping Costs

Shipping costs account for 4–5% of the order total, VAT excluded, depending on the delivery area.

2. HPL Tabletop Dimensions: production tolerances

For HPL tabletops with straight or chamfered edges and nominal side lengths of 50–60–70–80–90 cm (or any 10 cm increment), the actual dimensions will be 49–58.5–68.5–79–89 cm.

For HPL tabletops with a 45° cut edge, the actual dimensions will be 49, 58, 68, 79, 89, 99 cm.

These variations are normal manufacturing tolerances and do not constitute a defect or non-conformity.

3. Production and delivery times

Production and delivery times are estimated at a maximum of 15 working days from the date of payment receipt.

4. Price validity

All amounts in this price list are VAT excluded and valid for 90 days from the date the list is issued. Arredotop reserves the right to change prices at any time without notice. Orders are subject to acceptance by the client of the official quotation, which is issued upon the client's request.

5. Price list usage

This price list is intended exclusively for companies operating in the HoReCa sector (Hotels, Restaurants, and Catering) selected by Arredotop. Any use of this list by unauthorized parties is strictly prohibited. Arredotop reserves the right to revoke access to the price list for any entity that does not comply with these conditions.

6. Non-disclosure

This document contains confidential information intended for the recipient. Its confidentiality is protected by law in accordance with privacy regulations (Legislative Decree 30.6.2003 no. 196 and EU Regulation 2006/691). Reading, copying, or any unauthorized use, as well as any action deriving from the knowledge of this information, is strictly prohibited.

7. Limited liability for defects attributable to transport and delivery

Arredotop S.r.l., operating under the Arredotop brand, undertakes to supply high-quality products compliant with the required specifications. However, in the case of defects attributable to transport and delivery, the Company's liability is strictly limited to the value of the delivered goods. The client must promptly report any defects found within no later than 48 hours from delivery, supported by visual evidence such as photos or videos. Arredotop S.r.l. shall not be liable for any further costs, direct, indirect, incidental, or consequential damages of any kind claimed by the client. Any compensation, if due, will be limited exclusively to the value of the defective goods delivered, expressly excluding any other claims.

8. Limited liability for non-standard installations

Arredotop S.r.l., operating under the Arredotop brand, declines any responsibility for defects, damage, or issues arising from installation of the tops on bases different from standard ones, such as bases without a cross frame, or through methods not compliant with the instructions provided by the Company. This includes, but is not limited to, fixing with glue or alternative materials, use of different hardware from that supplied, and any modifications made to the top, such as additional cuts or holes. Any damage or malfunction resulting from such non-standard installations shall not be considered attributable to Arredotop S.r.l. and will not entitle the client to any compensation or replacement.
